Bridges

Feature Name : **Granite bridge, small** website code **813**

Hand carved from Granite, this bridge matches perfectly the water features in the Oriental section. If you're creating a garden with a real Eastern feel, this is a perfect addition (we can also supply lanterns etc to complete the illusion).

Measuring 100cm long and 45cm wide, a simple but beautiful design. Warning: This is not a plastic reproduction, this feature is made of real stone and as a result, is extremely heavy. The good news is, it will last a life time so, represents value for money. We do offer a fitting service, Please ask for a quotation.

WaterFeatures2U Price: £195.00
