## Bronze Beauties

Feature Name : **Sea Urchin large** website code **1028**

Stunning water feature by renowned sculptor Dennis Fairweather. Each piece catches the movement and presence of the animal beautifully. All sculptures are cast in solid bronze resin with a skilfully applied patination. The surface, being 80% bronze, reacts very well with the atmosphere and does change over time, but can be polished back to show the bronze highlights if required. The sculptures are completely frostproof making them suitable for the garden. 76cm.
