Classic Stone

Feature Name : **Dolphin Fountain** website code **635**

This high quality section is exclusively made from reconstituted stone to such a standard that we have found that it is impossible for a mere mortal to tell the finished item from the real thing!

The Dolphin is considered to be the king of the fish.

In classical ornament the Dolphin often appears as an attribute of Neptune, the Roman god of the sea.

This piece was inspired by early XVI century Italianate designs.

Complete as depicted and with pump.

1080mm high x 670mm wide, 174kg.
