Traditional

Feature Name : **Single Fountain** website code **168**

This design is produced in a unique cast stone mix, this mix is naturally waterproof, making it ideal for water features. The material is not susceptible to frost. However, precautions should be taken in freezing conditions. Usually, simply loosening the cable gland in the winter months will suffice.

Available in three colour finishes, Coade Limestone or Slate.

Comes complete with pump and pebble pool, just arrange a few pebbles around the piece and add water!

Size 470mm high x 457mm wide, weight 27kg.

Can be purchased separately if you have a pebble pool and pump of your own and just fancy a change, £100

WaterFeatures2U Price: £295.00
